

Dear Storm'ers,

Happy New Year from Storm Racing! With the 2010 race season fast approaching, we look forward to seeing you again soon! Just a reminder that [registration is now open](#) for both *Salomon Storm the Trent* and *Storm the 10*, and that the [RockstAR](#) online reg form is expected to be ready to launch within the next week. Storm the Trent registrations have been steady since the beginning of December - don't forget that early entry discounts are offered only until **February 15th** - take advantage by signing up today!

In spite of the natural urge to hibernate during these chilly winter months, there are a number of exciting events taking place over the coming months. Time to get out there and burn off that Christmas turkey!

ADVENTURE RACING WRAP-UP PARTY

Be sure to join Hark Events on **Saturday January 16th** for a 2009 end-of-season wrap-up and 2010 kick-off at Firepower Training in Milton. You can even make a training day of it by taking part in the DontGetLost.ca "[Icebreaker](#)" snowshoe orienteering event starting at 1:00pm near Rocky Ridge Camp (10th Sideroad & 4th Line - only a short drive from Firepower Training), and then join other members of the adventure racing community for a fun social evening starting at 6:00pm. The Icebreaker course has been designed by Canadian Adventure Racing icon Bob Miller, and features an optional pre-event navigation clinic - a perfect opportunity to start fine-tuning your nav skills before the 2010 season starts!

[Click here](#) for details on the AR Wrap-Up Party, ticket information, and directions to Firepower Training. In addition the OARPS points series awards ceremonies for the 2009 season, this event will feature a race organizers & retailers expo, presentations from some of Canada's top adventure racers, as well as some great door prizes and gear giveaways. This will be a licensed event, with on-site changeroom and shower facilities so that you can travel directly from the Icebreaker (or whatever your weekend training adventures might be). Hope to see you there!

SALOMON DONTGETLOST.CA SNOWSHOE RAID

Don't miss Eastern Canada's largest snowshoe race on **Saturday February 20th** at Horseshoe Valley Resort! Join over 200 bundled-up racers for a score-o style snowshoe orienteering race, in where teams of two will have a maximum of 3 hours to collect as many checkpoints throughout the magnificent Copeland Forest as possible. Selected as one of *Explore Magazine's* "Top 50 Awesome Winter Adventures," this annual celebration of snow and sweat has become a favourite amongst orienteering and non-orienteering types alike.
